

Brand Aesthetic Guidelines

IPM INTERNSHIP COMMITTEE
INDIAN INSTITUTE OF MANAGEMENT ROHTAK

"Ours is Integrity, Collaboration and Passion"

IPM Internship Committee, IIM Rohtak: Brand Aesthetic Guidelines

Purpose: a single reference for building the committee website (and keeping all future collateral consistent). **Companion:** the full `brand-tokens.css` file is included in Appendix A at the end of this document.

Sources used: the uploaded IC logo, IIM Rohtak logo, invitation infographic, Caselet of the Week (Tava) slide/quiz page, team photos and the three carousels (Cased It, Live Project: CarbonMinus, Live Project: Zewa Feeds). LinkedIn blocks automated access, so nothing was read from it directly; the post formats it carries come from your carousel files. **Hex codes were sampled from your artwork**, so have one person confirm them against the original design files (Canva or similar) before launch.

1. BRAND ESSENCE

Who	IPM Internship Committee, Indian Institute of Management Rohtak (IPM-BBA)
Tagline	"Ours is Integrity, Collaboration and Passion"
Values	Integrity · Collaboration · Passion
Team motto	No Guts No Glory (on committee jackets)
Contact	ipminternship@iimrohtak.ac.in
Credibility markers	NIRF 19th · AMBA · BGA · QS World University Rankings 151+ · IIRF
Audience	Recruiters and companies (invitations for summer internships), prospective and current students, alumni, the wider B-school community
Personality	Professional, institutional, trustworthy, ambitious, and warm. Corporate without being cold.
Tone of voice	Confident, precise, data-led. Short declarative sentences. Numbers first ("170+ live projects", "350+ positions"). Formal but never stiff.

Content pillars (from LinkedIn): 1. **Invitation for Summer Internships:** the recruiter-facing infographic and batch profile. 2. **Caselet of the Week:** with gradnext; a 5-slide case plus an 8-question quiz. 3. **Cased It:** case-competition wins (e.g. Team Cutwos, 1st Runners Up). 4. **Live Project Experience:** student stories (CarbonMinus, Zewa Feeds). 5. **Team:** coordinator announcements and sign-offs.

2. LOGOS

Asset	File	Use
IPM Internship Committee seal	IC_logo.png	Primary mark. Wreath, three stars and handshake inside a ring.

Asset	File	Use
Seal, white on transparent	IC_logo_white.png (new)	On navy/midnight/photo overlays. This is how it appears in the infographic and team posters.
Seal, black on transparent	IC_logo_black_transparent.png (new)	On white/cream/ice backgrounds.
IIM Rohtak logo	IIM_Rohtak_logo.png	Institutional mark. Red ring, green core, peacock and book. Never recolour.

Rules - Lockup: IIM Rohtak logo on the **left**, IC seal on the **right** (exactly as in the infographic header and team posters). On the website: IC seal in the nav bar, IIM Rohtak logo in the footer or header-left. - **Clear space:** at least ½ the seal's diameter on all sides. - **Minimum size:** seal 48 px; IIM Rohtak logo 56 px (the Devanagari motto becomes illegible below this). - Use the seal in **white on dark, black on light**. Never tint it with the accent colours, never add shadows or outlines. - The IIM Rohtak logo always sits on white or a very light surface, or inside a white circle on dark backgrounds. - Don't stretch, rotate or crop the seals. Keep them circular.

3. COLOUR PALETTE

Midnight #081030	Navy #0B1F4A	Navy Mid #183868
Teal Ink #003040	Sky #98B8E0	Ice #C8E0F0
Ice Soft #EAF3FA	Cream #FBF3EE	Charcoal #101010
Grey 500 #6B7280	IIMR Red #C03830	IIMR Green #409040

The identity is **deep navy on white/cream**, with **light blue** as the supporting tint. The IIM Rohtak **red and green** belong to the institute's logo and appear only as small accents.

Primary (navy family)

Token	Hex	Where it comes from	Use
--ic-midnight	#081030	Caselet covers, team posters	Hero, footer, dark sections, carousel covers
--ic-navy	#0B1F4A	Brand navy	Headings, nav bar, primary buttons, body text on light
--ic-navy-mid	#183868	Committee jacket, carousel inner pages	Cards on dark, hover states, gradients
--ic-teal-ink	#003040	Infographic ribbons and hexagons	Section ribbons, stat hexagons

Secondary (blues)

Token	Hex	Use
--ic-sky	#98B8E0	Accent text and links on dark, icons, focus ring
--ic-ice	#C8E0F0	Pill tags, panel headers, dividers (quiz header on the caselet page)
--ic-ice-soft	#EAF3FA	Subtle section backgrounds

Neutrals

Token	Hex	Use
--ic-cream	#FBF3EE	Warm off-white panel background (infographic)
--ic-white	#FFFFFF	Page background, text on dark
--ic-charcoal	#101010	Near-black used on the Live Project carousels
--ic-grey-500	#6B7280	Captions, muted text

Institutional accents (use sparingly)

Token	Hex	Use
--iimr-red	#C03830	Only alongside the IIM Rohtak identity (e.g. a thin top rule, a highlight number)
--iimr-green	#409040	Same; do not use for small text (fails contrast on white)

Colour proportions: ~60% white/cream, ~30% navy family, ~8% light blues, ≤2% red/green.

Accessibility - White on #081030 / #0B1F4A / #183868: passes AA comfortably, including small text. - Navy #0B1F4A on white or cream: passes AAA. - Sky #98B8E0 on navy/midnight: passes AA. **Do not** use sky on white. - Red #C03830 passes AA on white for large text and UI graphics; avoid it for body copy. Green #409040 is graphics/large-text only.

4. TYPOGRAPHY

Primary and default typeface: Georgia. This is the committee's standard for emails and documents, and it is already what the website should use for all headings, body text, buttons and navigation. Georgia ships on Windows and macOS, so no font loading is needed.

```
font-family: Georgia, "Times New Roman", Times, serif;
```

Style	Size	Weight	Notes
Display / Hero	clamp(2.5rem, 5vw, 4rem)	700	Sentence case or ALL CAPS for section titles ("IPM INTERNSHIP COMMITTEE")
H1	clamp(2rem, 4vw, 3rem)	700	
H2	clamp(1.5rem, 3vw, 2.25rem)	700	
H3	1.25rem	700	
Body	1.0625rem (17px)	400	Line-height 1.65

Style	Size	Weight	Notes
Caption / small	0.875rem	400	Muted grey on light

House styling patterns (seen across the posts): - **ALL-CAPS headings with light letter-spacing (~0.08em):** "BATCH DEMOGRAPHICS", "CASELET OF THE WEEK", "LIVE PROJECT EXPERIENCE". - **Spaced-out italic eyebrow line** (0.3em tracking): "I N V I T A T I O N F O R S U M M E R I N T E R N S H I P S". Use for page eyebrows only, once per page. - **Italic serif for quotes and the tagline:** "*Ours is Integrity, Collaboration and Passion*". - **Bold blue inline lead-ins** for key questions (as in the quiz panel: **What options does Tava have?** followed by regular text).

Optional secondary face (display numerals only): the infographic uses a heavy geometric sans for big numbers and ribbon labels. If you want that punch on stats, use **Montserrat 700/800** for numerals only (--font-sans in the tokens). Keep everything else Georgia. If in doubt, skip it: Georgia alone is on-brand.

Devanagari: the institute name "भारतीय प्रबंध संस्थान रोहतक" appears in the infographic header. Use "Noto Sans Devanagari", "Nirmala UI", sans-serif for it, and keep it as an image or inline SVG when it's part of the logo lockup.

5. LAYOUT AND VISUAL LANGUAGE

Overall feel: a structured "dashboard/infographic" look: clear panels, big numbers, tidy grids, generous navy.

- **Grid:** 12-column, max container **1120 px**, 24 px gutters. Section padding 64–96 px vertical.
- **Backgrounds:** alternate white → cream → dark-navy sections. Dark hero uses a soft radial gradient from #0B1F4A to #081030. Team and event posters use a **navy-tinted photo of the IIM Rohtak building at dusk** under a dark overlay; reuse it for the hero or team section.
- **Panels:** cream (#FBF3EE) rectangles with sharp or very slightly rounded corners (≤ 6 px) for infographic-style data blocks; rounded (12 px) cards elsewhere.
- **Section headers:** angled dark-teal **ribbon** with white uppercase text (.ribbon in the CSS), sitting on the top-left edge of the panel.
- **Signature shapes:**
- **Hexagons** for stats (batch highlights, 170+ live projects, 25+ sectors, 350+ positions) and icon frames.
- **Semi-circular gauge arcs** for percentage splits (Academic Diversity: Commerce 69.2%, Science 23.3%, ...).
- **Circular photos with a white ring** for team members (.avatar).
- **Checkerboard block layout** (navy squares alternating with white) on the Caselet cover.
- **Laurel wreath and stars** as decorative motifs, drawn from the seal.
- **Pill tags** in ice-blue for post types ("Caselet of the Week").
- **Connectors:** thin dotted or solid lines with a dot terminal linking a stat to its label (infographic); arrow flows for processes ("Understand the Problem → Identify the Options → Evaluate the Economics → Decide for the Long Term"). Use → for step flows.
- **Iconography:** simple monoline/duotone icons in white on navy or navy on cream, drawn inside circles or hexagons. Stroke 1.5–2 px. No emoji in the UI.
- **Photography:** formal headshots in dark blazers against a grey brick wall, cropped to circles. Candid group shots (e.g. the jacket photo) work as section backgrounds under a navy overlay.
- **Company logos:** show in full colour on a **white** panel in a tight, evenly spaced grid (as in "Previously interned at"). Don't recolour them.

- **Motion:** subtle only: 150–250 ms ease, hover lift (`translateY(-2px)`), fade-up on scroll, number count-up on stat hexagons. Respect `prefers-reduced-motion`.

6. CONTENT TEMPLATES (THE RECURRING POST FORMATS)

Caselet of the Week - Cover: 2×2 checkerboard: title block (navy), IC seal (white), partner logo (gradnext) and case name. Dark radial vignette, white double-line frame. - Page: title bar in navy with white serif text; left = 5-slide carousel with dots ("Slide 1 of 5"); right = quiz panel with ice-blue header (`#C8E0F0`), an "OPEN ↗" button, question progress ("Question 1 of 8") and a thin light-blue progress line. - Footer button: white pill-style "× Hide Quiz" on midnight.

Cased It (case competition win) - Dark navy/teal pages, white text. Structure: team name → institute ("IIM Rohtak"), rank badge ("1 Runners Up"), then *Problem Statement* → *Challenge Overview* → *Strategies Implemented* → *Key Deliverables*. - Header carries NIRF badge and "Indian Institute of Management Rohtak" with Devanagari; footer carries `ipminternship@iimrohtak.ac.in`.

Live Project Experience - Black/charcoal (`#101010`) or deep navy pages. Cover: large "LIVE PROJECT EXPERIENCE" with the company name in wide-tracked caps ("C A R B O N M I N U S"). - Structure: numbered 01–05 tabs → **Problem** as 5 Ws (What / Why / When / Whom / Who) → **Breakdown** (Research → Outreach/Planning → Partnerships/Execution → Impact) → **Solution Work Flow** (1–4) → **Solved!** → **Student Learnings** with intern name and role. - Headline results are quoted with numbers ("7x growth in impressions, 2x higher engagement").

Team / announcements - Midnight building backdrop, IIM Rohtak logo top-left, IC seal top-right, big white serif title, italic tagline, dark rounded label ("Senior Internship Coordinators '26 Signing Off"), circular photos in rows with names in caps (or title case), **Senior** row above **Junior** row.

Standard footer line: ✉ `ipminternship@iimrohtak.ac.in` (serif, white on navy, centred).

7. WEBSITE IMPLEMENTATION NOTES

Suggested page map: Home (hero + stats + batch snapshot) · Batch Profile (demographics, academic diversity, focus areas, skills, certifications) · Internship Experience · Live Projects (5W case cards) · Cased It (wins) · Caselet of the Week (archive) · Recruiters (past recruiters logo wall, invitation) · Team (senior/junior coordinators) · Contact.

Hero: midnight gradient, white IC seal, uppercase Georgia title, italic eyebrow, tagline, two buttons (*Invite us / Recruit from IPM, View batch profile*), and the accreditation strip (AMBA · BGA · QS 151+ · IIRF · NIRF 19th) under it.

Stats to feature (from the infographic): 133 students (86 male / 65%, 47 female / 35%) · 20+ states · 40+ international faculty · 60+ subjects · 80+ case competition wins · 130+ research papers · 170+ live projects · 25+ sectors · 350+ positions offered · Academic mix: Commerce 69.2%, Science 23.3%, Humanities 4.5%, Others 3% · Focus areas: Consulting 21%, Marketing 18%, Finance 18%, General 11%, Product Mgmt 10%, Others 22% · Internship experience: 2–4 months 22%, 4–6 months 25%, 6–8 months 29%, 9+ months 24%. *Please re-check these against the latest batch data; the infographic is for the IPM-BBA Class of 2024–27.*

Do - Use Georgia everywhere and navy as the dominant colour. - Lead with numbers and structured panels; keep copy tight. - Keep the seal and IIM Rohtak logo in their approved versions.

Don't - Introduce new bright colours (no orange, purple, neon). - Use red/green as large fills. - Set body text in a sans-serif or below 16 px. - Place the black seal on navy, or the white seal on white.

Quick start

```
<link rel="stylesheet" href="brand-tokens.css">
<header class="section-dark">
  
  <p class="eyebrow">Invitation for Summer Internships</p>
  <h1>IPM INTERNSHIP COMMITTEE</h1>
  <p><em>"Ours is Integrity, Collaboration and Passion"</em></p>
  <a class="btn btn-primary" href="#recruit">Partner with us</a>
</header>
```

8. OPEN ITEMS TO CONFIRM

1. Exact hex values from the source design files (sampled here from exported images).
2. Whether the website should use the geometric sans for numerals, or Georgia only.
3. Official social handles and any additional logo variants (a horizontal lockup).
4. Latest batch statistics, if the numbers have changed since the infographic.

Appendix A: brand-tokens.css

Copy this file into the website project and load it before any other stylesheet.
